For over 138 years, the Delaware SPCA has served the people and animals of Delaware. During the past three years, dramatic changes have taken place at the SPCA. In addition to reducing its euthanasia rate by 90%, the Delaware SPCA has worked to improve the quality of life for animals in the shelter. The Scaredy Cat Ball will raise money to build a free roaming cat room in the SPCA's Stanton shelter.

Help us free the felines!
